CLASS TEACHER POSITIONS

MAIN SCALE/UPS + SEN

An exciting opportunity has arisen at Woolgrove School, Special Needs Academy. Are you passionate about supporting and helping vulnerable pupils to be the best they can be? Do you want to work in a happy, nurturing primary special school for children with learning needs, autism and a variety of syndromes situated in Letchworth, North Hertfordshire? If this is the case, then please read on.

We are looking for full time teachers to join our team from September 2022. These opportunities rarely come up at our school so this is an opportunity not to be missed! We are looking for caring, hardworking, dynamic and enthusiastic people who are outstanding teachers with a passion for working with children with special needs. This would be a good opportunity for mainstream teachers, with an interest in working with children with additional needs, as well as those with special school experience. ECTs and newly qualified teachers are warmly encouraged to apply.

In return we will offer you:

- Children who work hard, behave well and respect and care for each other
- A kind, creative, hard-working and supportive staff team, including an experienced senior leadership team, who are looking forward to working with you
- New starter induction and training programme
- Dedicated time for EHCPs and Subject Leader time, when required, alongside your class PPA time

- An ongoing commitment to professional development. As part of our commitment to staff training and wellbeing, pupils leave school at 2pm on Fridays to enable high quality whole school staff training for one hour every week

Woolgrove is “a special school for special children, where everyone is nice, we have lots of friends and we have fun” – *pupil voice*.

Onsite visits are essential to get a feel for our lovely school and Lisa Hall, our headteacher, would be delighted to meet you to discuss this role in more detail. So do not delay - get in touch today. If you have any queries please contact us on 01462 622422 or email: admin@woolgrove.herts.sch.uk

There is also a virtual tour and information on the school website.
